

Dear Mr. Vilsack,

I am writing about the Healthy, Hunger Free Kids Act of 2010 and school lunch.

I think that we should not pay for the extra food that we can get. Why did you think of the Healthy, Hunger Free Kids Act of 2010? Why can't we get pudding or melted cheese on burritos? I thought cheese was healthy?

I am 10 and sometimes I'm hungry when I get home from school. My Mom sometimes sends snack with me on the bus to school. My younger brother eats more than me. He is hungry all the time.

I would like to have a good school lunch. I think meat, cheese, and bread are an important part of my meal.
